

# “SWING INTO THE VISION” GOLF TOURNAMENT

Sunday, September 11th, 2011

Carlisle Golf & Country Club

\$1000 per foursome

Tee it up for Chiropractic Research

For over 100 years we have waited for someone else to step up to the plate to provide research that asks the right questions. How much longer do we wait until we have principled chiropractic research being performed? We have the researchers ready; but we have no funding. So here it is; the FIRST ANNUAL chiropractic golf tournament to fund principled research.

Our goal in the future is to have this same tournament take place in cities across the country - raising hundreds of thousands of dollars yearly.

Our goal this year? Have 20 foursomes guaranteed and booked by Sept 1st. Book your foursome by contacting one of the emails below. Bring your family. Bring some patients as a gift to them. Bring your staff. Book it today!
